

Pail, Roland, Prof. Dr. techn., Mag. rer. nat.

Date of birth 29.06.1972, male
Actual position Professor W3 (unlimited position)
Chair of Astronomical and Physical Geodesy
Affiliation Department of Aerospace and Geodesy
Technical University of Munich
Arcisstr. 21, 80333 Munich
Email, Tel. roland.pail@tum.de; +49 (0)89 289 23199
Homepage www.lrg.tum.de/iapg/mitarbeiter/pail/

Education

2002 Habilitation, venia docendi in "Theoretical Geodesy"
1999 Dr.techn. (Ph.D.) (grade: "sub auspiciis praesidentis"), TU Graz
1995 Diploma (Mag.rer.nat.) Geophysics, University of Vienna
1991-1995 University of Vienna, Geophysics, Degree: Master of Science
1994 University of Vienna, Astronomy, 1. Diploma

Professional Experience

2020- Vice-Dean of Department of Aerospace and Geodesy, Technical University of Munich
2016-2019 Vice-Dean of Department of Civil, Geo and Environmental Engineering, Technical University of Munich
2014-2016 Dean of Department of Civil, Geo and Environmental Engineering, Technical University of Munich,
2010- Technical University of Munich, Professor W3, Chair of Astronomical and Physical Geodesy
2002-2009 Graz University of Technology, Institute of Navigation and Satellite Geodesy, University Docent
2002 Habilitation in „Theoretical Geodesy“, Graz University of Technology
1999 Promotion „sub auspiciis praesidentis“, Dissertation: „Synthetic Global Gravity Model for Planetary Bodies and Applications in Satellite Geodesy“, Graz University of Technology
1997-2002 Graz University of Technology, Institute of Navigation and Satellite Geodesy, University Associate
1996-1997 University of Bayreuth, Institute of Physics, Research Associate: DFG project „Continental Deep Drilling Project of the Federal Republic of Germany“

Honours, Awards & Functions

- Vice Dean (2020-), Department of Aerospace and Geodesy, TUM
- President of Commission 2 "Gravity Field" of the International Association of Geodesy (2015-2019)
- Dean (2014-2016), Department of Civil, Geo and Environmental Engineering, TUM
- Vice Dean (2013-2014, 2016-2019), Department of Civil, Geo and Environmental Engineering, TUM

- Fellow of International Association of Geodesy, 2011
- Chair/Co-Chair of GGOS Working Group for Satellite Missions (2008-)
- Young Authors Award 2005 of the International Association of Geodesy
- Allmer-Löschner-Award 2002 of the Austrian Geodetic Commission
- Josef-Krainer Promotion Award 2000
- Promotion „sub auspiciis praesidentis“, 1999
- Appreciation Award 1999 of the Federal Ministry of Science and Transport (Ph.D. Study)
- Appreciation Award 1996 of the Federal Ministry of Science, Transport and Art (Master Study)
- Member of German Geodetic Commission (DGK)
- Board Member of Research Group Satellite Geodesy (FGS, Geodetic Observatory Wettzell)
- Board Member of the Austrian Geophysical Society (AGS)
